Car Safety Wars One Hundred

Car Safety Wars is a gripping history of the hundred-year struggle to improve the safety of American automobiles and save lives on the highways. Described as the “equivalent of war” by the Supreme Court, the battle involved the automobile industry, unsung and long-forgotten safety heroes, at least six US Presidents, a reluctant Congress, new auto technologies, and, most of all, the mindset of the American public: would they demand and be willing to pay for safer cars?

Car Safety Wars : One Hundred Years of Technology ...

This study recounts the history of the hundred-year struggle to improve the safety of American automobiles and save lives, a long battle that was won by consumers and safety advocates only after decades of defeat. The major victory was the enactment in 1966 of a federal safety law, which cut highway deaths and injury rates by 70 percent.
