Let's look at few of the methods I recently used to deconstructed Russian and Arabic to determine if I could reach fluency within a 3-month target time period. Both were done in an hour or less of conversation with native speakers sitting next to me on airplanes. Six Lines of Gold. Here are a few questions that I apply from the outset.

On February 11, Gurwinder posted a mega-thread, promising to broaden everyone's understanding of the world in just a few minutes.. In it, there are 40 concepts about human behavior and the world we live in. Scientists often spend years studying, researching, and analyzing complex phenomena but Gurwinder cuts to the very core of their findings and manages to explain everything in plain English.

The beloved New York Times bestselling Dismas Hardy series returns with this "perfect piece of entertainment from a master storyteller" (Steve Berry, New York Times bestselling author) about a relentlessly twisty murder mystery. No one mourned when San Francisco DA Wes Farrell put Paul Riley in prison eleven years ago for the rape and murder of his girlfriend.

The nutshell is this is a murder mystery set in a fourteenth century Benedictine abbey, with Franciscan monk William of Baskerville and his Benedictine novice Adso of Melk on the case. And it's genuinely fun! A Holmesian romp set in medieval paranoia. But everything in this book is a conceit; the entire abbey vibrates with a deconstructive menace.
