Framing Crime

In the social sciences, framing comprises a set of concepts and theoretical perspectives on how individuals, groups, and societies organize, perceive, and communicate about reality.. Framing can manifest in thought or interpersonal communication. Frames in thought consist of the mental representations, interpretations, and simplifications of reality. ...

Framing (social sciences) - Wikipedia

In the frame evoked by the word "relief," there exists several ideas: a crime or accident that has occurred to inflict suffering, a perpetrator of the crime, a victim, a reliever of the suffering and the method of relief. By using this frame in conjunction with taxes, taxes become associated with crime, or the cause of suffering.

Most crime stories begin with the crime, and this can be a handy technique for the author as well. Briefly describe an exciting or mysterious crime scene: jewels disappearing from inside a locked safe, a fortune teller found dead in a canoe, or the prime minister's secretary caught carrying a bomb into 10 Downing Street.
