Innovative Auto-to-Manual Conversion Mounts

How to convert an NSX from automatic to manual transmission. This box travelled all the way from Science of Speed in Arizona; the reasonable price and strong user feedback for their Sport 275 clutch and flywheel kit won me over. The factory manual came with a twin-plate unit, but this single plate is simpler and as a result carries 5kg less rotating mass.

Project NSX Shifts Up A Gear - Speedhunters

an auto to manual swap for such a new car will be too expensive and extensive. you will have to get a new trans or find a used one at a junkyard if there is a wrecked one already which I'm sure there is but not a dime a dozen. for my zx2 I had wanted to swap in a manual would have cost me 2k for parts alone depending on where I got them and if I did labor myself.
