Managing With Power Politics Influence

Problems of implementation are really issues of how to influence behavior, change the course of events, overcome resistance, and get people to do things they would not otherwise do. In a word, power. Managing With Power provides an in-depth look at the role of power and influence in organizations. Pfeffer shows convincingly that its effective use is an essential component of strong leadership.

Managing With Power: Politics and Influence in ...

Managing With Power: Politics and Influence in Organizations. by. Jeffrey Pfeffer. 3.93 · Rating details · 331 ratings · 18 reviews. Although much as been written about how to make better decisions, a decision by itself changes nothing. The big problem facing managers and their organizations today is one of implementation--how to get things done in a timely and effective way.

Managing with Power : Politics and Influence in ...

The words Power, Influence and Politics do not appear in the Project Management Institute PMBOK. Dave Wilemon has discussed power in several of his articles, but there is general agreement in the social sciences that until recently power has not received sufficient attention. Even though Bertrand Russell in 1938 commented that,
