Hum Nutrition Review - Must Read This Before Buying

I drink it in my daily smoothies and it gives me LIFE. Aka a healthy gut, glowing skin, strong digestion and energy for DAYS. So, you asked me for an honest review of Usana products: At this point, I'm not sure why people even ask me to do an unbiased Usana review or any other products containing garbage ingredients like soy.

An Unbiased Review of Usana - Ancestral Nutrition

The answer may lie in the methods used in MPS studies as participants are fasted, provided only protein powder in isolation, often given whey (which is digested very quickly) and observed for short periods. These lab settings result in different digestion time courses and amino acid kinetics than occur in the "real world".
