Policy Change And Learning An

Policy, systems, and environmental (PSE) change interventions have a great potential to improve a community's health by addressing socioeconomic factors and by making healthy choices more accessible, easier and the default choice through changing all three of the elements described above.” (Adapted from Center TRT Glossary of Terms)

Policy, Systems, and Environmental Change | SNAP-Ed

First of all, it is important to distinguish ‘policy change’ from ‘policy reform’ as the terms are often used interchangeably in the literature. Policy change refers to incremental shifts in existing structures, or new and innovative policies (Bennett and Howlett 1992). Reform usually refers to a major policy change.
