The research into U.S. women's reasons for having abortions has been limited. In a 1985 study of 500 women in Kansas, unreadiness to parent was the reason most often given for having an abortion, followed by lack of financial resources and absence of a partner. 3 In 1987, a survey of 1,900 women at large abortion providers across the coun-

Article ID: DA020-2 | By: Francis J. Beckwith. In the first installment of this four-part series we examined a number of arguments for abortion rights which can be classified as appeals to pity. In this article I will present and critique more appeals to pity, along with two additional kinds of argument: appeals to tolerance and ad hominem (literally, “against the person”).
