It was on this platform of ideas that the French Revolution was constructed. A historian's view: “Historians have long debated the exact relationship between the Enlightenment and the French Revolution. In the minds of contemporaries, the Enlightenment laid the groundwork for the Revolution's most important ideas and agendas.

The Enlightenment - French Revolution

Mollie leaving is a parallel to how many in the middle class simply left the USSR while they still could. If Snowball or Napoleon were to assess her motivations and the implications of her leaving, they'd likely say that Mollie has bought into the narrative that she needs to strive to become a member of the ruling class in order to leave a successful life—something that Animalism tries to ...
