The creation–evolution controversy began in Europe and North America in the late 18th century, when new interpretations of geological evidence led to various theories of an ancient Earth, and findings of extinctions demonstrated in the fossil geological sequence prompted early ideas of evolution, notably Lamarckism. In England these ideas of continuing change were at first seen as a threat to ...

EU has the most comprehensive consumer protection in e-commerce as compared to the rest of the countries. Any online retailer operating in EU and selling to consumers is subjected to regulations regarding distance selling (Wilmart 2014). The online consumer information tracking deployed by Amazon has generated a fair amount of controversy.
